

For Exceptional Service Count on us.

Since 1999, Trinity Air Ambulance International has been operated by its founders, a registered nurse and an acute care nurse practitioner. Today, Trinity continues to be a proven provider of premium air medical transportation.

As actively practicing, licensed medical professionals, we understand the need for quality healthcare services. Compassion and integrity are the foundation of Trinity Air Ambulance.

- Licensed and insured in the USA
- Own and operate our own fleet of Learjets
- Family-owned and managed by licensed medical professionals
- Available 24 hours a day, 7 days a week
- Fully staffed medical call center
- All calls answered in person

We believe that whenever healthcare is an issue, the service you deserve should not and cannot be anything less than exceptional.

All of our services are guaranteed to be performed in the shortest time possible, with highly experienced medical staff using the latest medical technology. Each client and transport is unique and special to us.

- Fastest industry response time: 60-minute liftoff
- Worldwide air transport and ground ambulance
- Medical Escorts for commercial airline transports
- Pre-flight medical assessment of the patient
- Complete bedside-to-bedside medical service
- Physician referrals and consultations
- Arrangement of hospital admissions

When superior, cost-effective air medical service is required, Trinity Air Ambulance is here for you.
